Grey House Publishing Announces the Release of *Financial Services Canada 2025/2026*

Grey House Canada is proud to announce its newest publication, the twenty-sixth edition of *Financial Services Canada*. This brand-new edition provides the most comprehensive picture of Canada's financial services sector, featuring over 22,500 listings. Available in print, as a searchable online database, and as an e-book, its 8 chapters include: Banks & Depository Institutions, Non-Depository Institutions, Investment Management Firms, Insurance Companies, Accounting & Law, Major Canadian Companies, Associations, and Financial & Technology Services. Each listing presents a detailed organization profile, offering easy access to hard-to-find business information including founding date, scope of activity, executive information, contact information, social media accounts and much more.

This widely recognized title, known for greatly assisting organizations with their marketing, networking, and business building efforts, contains more than 400 Banks & Credit Unions. Providing essential information on thousands of financial companies, branches, executives, and much, much more, *Financial Services Canada* is the most up-to-date source for names and contact information of industry professionals, senior executives, portfolio managers, financial advisers, agency bureaucrats, and lawyers with financial specialties.

Financial Services Canada is widely used by financial executives, bankers, financial planners, sales and marketing professionals, lawyers and chartered accountants, government officials,

investment dealers, journalists, librarians and reference specialists, students, entrepreneurs, and others interested in Canada's financial services industry. Published for over a decade and a half, this well-researched and comprehensive volume includes listings for every facet of the Canadian financial industry. Covering topics as diverse as financial services institutions, major Canadian companies and industry-related associations or publications, this title is a vital tool for all your marketing or research needs.

Available online via Canada's Information Resource Centre (CIRC), *Financial Services Canada* is a valuable resource giving users the option to export much needed organization and contact information to easily generate contact or mailing lists, reducing the time spent compiling lists, doing research, or looking up contacts and email addresses. *Financial Services Canada* delivers all the accurate, up-to-date data you need in a single source.

Financial Services Canada is available in print, by subscription, and online via Grey House Publishing Canada at www.greyhouse.ca. Don't delay! Order now to take advantage of this valuable resource.
