

**Financial Services Canada 2021-2022**  
features over 22,500 organizations, from  
Banks to Associations, including hundreds  
of new company profiles. This 24th  
edition also includes over 32,000 key  
executives.

Get the most comprehensive and up-to-date picture  
of Canada's financial services industry available.

This master file not only includes organizations  
with Canadian headquarters; it also profiles  
companies significant to the Canadian financial  
industry headquartered elsewhere, but with  
branches or divisions in Canada.

Quickly and easily gather hard-to-find business  
information, plus names and contact numbers of  
industry professionals, senior executives, portfolio  
managers, financial advisors, agency bureaucrats,  
and elected representatives. All-new front matter  
also includes 100+ pages of articles-supplemented  
with tables and charts-highlighting vital issues in  
the Canadian financial services industry.

### **A Wealth of Information!**

*Financial Services Canada* provides more than a  
name and address. All listings include name, title,  
organization, profile, associated companies, contact  
numbers, and email and website addresses. This  
information will greatly reduce the time you spend  
compiling lists, researching company information,  
and searching for email addresses.

Look inside to find more special fields, including:

- Banks & Depository Institutions
- Non-Depository Institutions
- Investment Management
- Insurance Companies
- Accounting & Law
- Major Canadian Companies
- Associations
- Financial Technology & Services

### **New Additions & Enhancements**

- Financial institutions and branches updated
- Updated executives throughout the book
- New articles and statistics on Canada's financial  
industry (including the newest Federal Budget  
and Bank of Canada Business Outlook Survey)
- 4 easy-to-use indexes

**GREY HOUSE PUBLISHING CANADA**

*Financial Services Canada* is an essential resource for researching Canadian financial services companies and organizations. Its 8 chapters present detailed yet concise profiles that include scope of activity, key executives, contact info, social media accounts, and more. Whether your industry is banking, media, or government, you'll save time and find the information you need on Canada's financial services industry at a glance. Don't miss the chance to have this new edition go to work for you.

*Financial Services Canada* is organized into the following categories:

- **Banks & Depository Institutions.** Presents the Canadian banking, trust, and cooperative industry in 7 subsections, with alphabetical entries. Listings may include an institution's Canadian branches.
- **Non-Depository Institutions.** Information is split into 5 subcategories. Companies are arranged alphabetically within each subsection. Concise information about branch offices is also featured.
- **Investment Management Firms.** Companies in this section often fall under more than one of the 6 subsections.
- **Insurance Companies.** A guide to the insurance industry in Canada. 2 subsections are presented. Class of insurance offered by each company is given.
- **Accounting & Law.** Major Canadian accounting and law firms are listed here in 5 subsections. Details of lawyers' financial practices & contact information are also included.
- **Major Canadian Companies.** Canada's major private, public, or Crown corporations are found here. For each company, key financial contacts and a brief description of the business are highlighted.
- **Associations.** Focuses on associations and institutes for the financial services sector.
- **Financial Technology & Services.** This recently added section details major Canadian companies involved in financial software, payroll services, digital payment processing, cryptocurrencies and blockchain among other technical areas.
