GREY HOUSE
PUBLISHING CANADA

The 2019-2020 edition of *Libraries Canada* presents the most current and widest range of informative data gathered from libraries across Canada. This directory offers comprehensive information on Canadian libraries, resource centers, business information centres, professional associations, regional library systems, archives, library schools, and library technical programs.

This updated title provides a wealth of information, with new additions and enhancements including:

- **6,622 entries!** Wide-ranging data includes acquisitions, budget, population served, contact info for senior staff, year founded, hours of service, national library symbol, regional system, member of consortia, special collections staff, subjects covered, services offered and equipment used.
- The latest **Report on Plans and Priorities** from Library Archives Canada; a report on the challenges of providing universal access to materials by public libraries; a report on **e-Book collection trends** in public and academic libraries; and an ongoing report on **Federal Government Library Closures** that highlights essential information on budgetary cuts that provides a record of the information that the closed library carried.
- Details on nearly 300 library associations, consortia, & groups
- Updated Canadian Public Library Statistics
- Revised Appendices

Furthermore, *Libraries Canada* is organized into five user-friendly sections: Public, College & University, Special Libraries, Library Services & Resources, Library Associations, Consortia and Groups.

It also includes **six indexes:**

Entry Name Index, Archive Index, Government Libraries Index, Location Index, Personnel Index, and Subject Index. All indexes are arranged in alphabetical order.

**Don't miss the opportunity
to have this newly updated
edition go to work for you!**

***Libraries Canada* 2019-2020 is the thirty-third edition of the most extensive collection of important data on the thousands of libraries across Canada— personnel details, including contact names and email addresses; collection information; services available to users; acquisitions budgets; and computers and automated systems, and more.**

Libraries Canada is organized into the following categories:

- **Public Libraries:** Listings are arranged alphabetically by province, then regional system. Branches are listed in alphabetical order under their central branch. There are 3,300 in this section.
- **College and University Libraries:** This section includes 640 institutional libraries that are arranged alphabetically by province.
- **Special Libraries:** Listings are arranged alphabetically by province. Here you will find 2,534 libraries in 6 subcategories including: **Archive, Business & Finance; Government; Health; Legal; and Other.**
- **Library and Service Resources:** This section contains nearly 300 listings and groups together a number of different resources that broaden reader's conceptions of the library industry: **Book Wholesalers; Periodicals; Subscription Agencies; Suppliers & Software; E-Libraries; and Digital Catalogues.**
- **Library Associations, Consortia & Groups:** These listings are crucial to the health of the library industry in Canada. They include: **Library Associations; Library Consortia; Library Schools; Provincial Agencies; and Regional Systems.**
- **Appendices:** *Libraries Canada* contains two appendices, the first of which catalogues the special collections in Canadian libraries that have been determined of research value, and includes 280 profiles. The second is a list of depository libraries of Canadian government information and contains approximately 800 entries

With *Libraries Canada*, you get the information you need, right at your fingertips!
