

**Cannabis Canada** is a one-of-a-kind resource covering all aspects of this growing industry. Featuring in-depth company listings and a wide-ranging collection of reports and statistics, you'll find everything you need to know about this now-legal marketplace, including need-to-know international information.

This first edition includes the **State of the Cannabis Industry 2019**, exploring the history of marijuana, current regulations, insightful reports, and listings of upcoming trade shows and conferences.

Company listings include crucial associations, government agencies, law firms, venture capital and private equity firms, and more. Also included is a brand new section on **Cannabis Industry Products & Services**, featuring everything from Licensed Producers to consulting firms, equipment manufacturers to security firms, and more.

All listings include specialized fields that go far beyond name and address, and boast crucial, current key contacts.
