

Directory of Directors 2022 features over 16,000 Canadian business leaders in 1,400 of Canada's top corporations. The 75th edition also includes a listing of the 500 top-ranking Canadian companies that appear in the book.

With *Directory of Directors* you can save time researching top Canadian executives and companies, and streamline your networking efforts for greater impact. Quickly and easily get the most current list available of the directorships and offices held by significant Canadian business people.

Also access essential information on leading Canadian companies—publicly traded and privately owned, including company name, contact information and the names of their executive officers and directors.

A Wealth of Information!

Directory of Directors offers more than a name and address!

Within the pages of this newly updated title you'll find:

- **16,817 personal listings** including first name, last name, gender, birth date, degrees, schools attended, executive positions and directorships, previous positions held, main business address and more.
- **1,434 corporate listings** including boards of directors and executive officers, head office addresses, phone and fax numbers, toll-free numbers, and web and email addresses.
- **New front matter**, such as an updated infographic drawn from data in the book; an excerpt from the Canadian Board Diversity Council's latest Annual Report Card; Osler's *The Inclusion Imperative*, and *Inbound M&A: What directors need to know*; and rankings from the FP500.
- **Two easy-to-use indexes**—an industrial classification index sorting key Canadian companies by industry type and a geographic location index grouping companies according to the city and province/state of the head office.
- An **alphabetical list of abbreviations** used throughout the Directory.

Directory of Directors is perfect for sales and marketing professionals, government officials, journalists, not-for-profits, librarians and reference specialists, employment agencies and anyone else interested in the Canadian business landscape.

Directory of Directors is an essential resource for identifying and researching top Canadian executives and organizations. Whatever your industry, whether finance, energy, media or commercial and professional services, you'll save time and find the information you need at a glance. Don't miss the opportunity to have this updated title go to work for you!

Directory of Directors is broken down into the following categories:

- The **Personal Listings** section contains **16,000+ directors and executives** of Canadian companies. In addition, **3,027 people have been added** to the book this year, as indicated by an asterisk before their name. Names are listed in alphabetical order. Surnames are printed first, followed by the person's first name, initials and nickname (if any), followed by abbreviations for any honours and fellowships held. The gender and birth year are shown next, followed by abbreviations for degrees held and the names of schools attended. Also listed are directorships and executive positions held in other companies.
- The **Company Listings** section gives an alphabetical listing of roughly **1,400 top Canadian companies**, both public and private, with their boards of directors and executive officers. It also shows each company's head office address, main phone and fax numbers, toll-free number, e-mail address and website. **123 companies have been added** in this edition, with new companies indicated by an asterisk before their name.
- The **Industrial Classification Index** lists the companies, sorted by general industry type according to the Global Industry Classification Standard (GICS®).
- The **Geographic Location Index** lists the names of all the companies carried in the Company Listings section, grouped according to the city and province/state of the head office.
- An alphabetical list of **Abbreviations** closes the book, offering definitions of common abbreviations used for terms, titles, organizations, honours/fellowships and degrees throughout the Directory.
