## *Financial Services Canada*

“*Financial Services Canada* contains a **wealth of information** about industries, economic and industrial statistics, government agencies and associations, and publications. It **can be used as a reference tool** to locate information about specific organizations in Canada **as well as resources for additional research. Recommended for academic libraries supporting a business curriculum and for larger public and research libraries.**”

-ARBA

“**Serving as a starting point for anyone needing essential information on the Canadian financial industries, *Financial Services Canada* would be a useful resource in business schools teaching Canadian business, and public libraries** where there is interest. **Canadian public libraries and universities will want this on their reference shelves.**”

– Booklist

“... **libraries serving organizations and businesses with strong interests in the Canadian finance industry will find this directory useful.**”
