FP Bonds: Corporate

Features publicly and privately held debt securities, as well as debt issues and asset-backed securities from Canadian incorporated companies.

Access a gold mine of information on the bank market today. This book provides outstanding information on publicly and privately held debt securities issued by Canadian incorporated companies, together with their features and provisions. In addition, *FP Bonds: Corporate 2019* includes ratings supplied by Dominion Bond Rating Service (DBRS). This must-have edition also contains added front matter: a Bank of Canada charts showing market liquidity, Bank of Canada reports on non-bank financing, an alternative funding source for bank mortgages, and the 2018 Green Finance State of the Market report from the Smart Prosperity Institute and the Climate Bonds Initiative.

June 2019 | Softcover
ISBN: 978-1-64265-253-6 | \$200.00
eBook ISBN: 978-1-64265-254-3

FP Bonds: Government

This highly regarded annual publication provides information on publically issued bonds to simplify financial decision making in fast-changing times.

FP Bonds: Government 2019 provides lists containing features and provisions of all of bonds issued by the Government of Canada, bond ratings supplied by DBRS as of March 2019, a separate section on Eurobonds, important economic data on Canada and the provinces, and important notes on Canadian taxation. This edition also contains added front matter from the Bank of Canada: an excerpt from the Bank's latest Financial System Review, and charts and reports on market liquidity, the costs of the federal government's bond buyback and switch programs, and federal government debt management.

July 2019 | Softcover
ISBN: 978-1-64265-255-0 | \$175.00
eBook ISBN: 978-1-64265-256-7

FP Equities: Preferreds & Derivatives

Information on companies operating in Canada's capital markets is gathered in one outstanding resource that guides sound investment strategies.

FP Equities 2019 presents a wealth of information sorted and rated for easy access. Preferred Shares lists outstanding publicly and privately held preferred shares with detailed descriptions of their features. Ratings ranks these shares and Income Trusts with ratings supplied by DBRS. Derivatives provides a wealth of information in Preferred Securities, Structure Products, Income Trusts and Warrants.
