Grey House Publishing Announces the Release of *FPbonds: Government, 2023*

This highly regarded annual publication provides the kind of information on publicly issued bonds to help round financial decision making in fast-changing times.

The 2023 edition of FP Bonds – Government, the seventh to be published by Grey House Publishing Canada, lists outstanding publicly and privately held debt securities, together with their features and provisions, issued by the Government of Canada, the provinces and selected federal and provincial agencies. All issues and amounts are outstanding as of March 2023, unless otherwise indicated.

Information includes:

- Lists containing features and provisions of all of bonds issued by the Government of Canada, by provincial governments and selected federal and provincial agencies. Each bond description also includes its rating.
- Ratings supplied by Dominion Bond Rating Service (DBRS) as of March 31, 2023.
- A separate section on Eurobonds (Euro debt).
- Important economic data on Canada and the provinces.
- Important notes on Canadian taxation particularly as it effects bonds.

Newly added front matter for this edition includes excerpts from the Bank of Canada's 2022 Annual Report, a Bank of Canada report on the economic consequences of the COVID-19 pandemic, and a memo from the C.D. Howe Institute on the launch of Canada's first green bond.

FPbonds - Government is also available as a searchable online database. Monthly updates allow you to access the most current data and focus your research with broad or specific search queries. Search our 38,000+ executives and instantly download lists for mailing or further research. This is an indispensable tool for all your marketing or research needs!
