

Grey House Publishing Canada has added this new title to our already extensive collection of resources. This first edition of *Major Canadian Cities: Compared & Ranked* provides an in-depth comparison and analysis of the 50 most populated cities in Canada.

A detailed Table of Contents is your guide to not only the city chapters, which are listed in alphabetical order, but also to the specific statistic or ranking table you are interested in.

Don't miss this exciting opportunity!

Features of the 1<sup>st</sup> edition include brand new National House Survey tables, with information on religion, ethnic origin and individual income distribution.

There are also new, more detailed charts and graphs; 28 tables for each city!

*Major Canadian Cities* 1<sup>st</sup> Edition  
ISBN: 978-1-61925-260-8  
Softcover: 836 pages

## Canada's Information Resource Centre (CIRC)

If you wish to **conduct unique searches** and comparisons or **make your own analytical tables**, we recommend you check out Canada's Information Resource Centre (CIRC), where subscribers have full access to this rich database filled with the latest statistics.

### Key Features & Benefits:

- With just a click of your mouse you can access percentages for 50 cities with a population of 100,000 or more.
- Instantly rank cities according to your preferences and make your own analytical tables with the data provided.
- Save research time with this exciting new resource or ask us about our other 10 online databases!

## Read descriptions on all 50 cities!

Each 14-page city chapter incorporates information from dozens of resources to create the following major sections:

- **Background:** Read a lively narrative of significant facts covering the geography, history, industries and culture of a city. Each background offers a great look and what makes the city unique, by emphasizing Canada's diversity.
- **Study Rankings:** A number of study results from sources such as Statistics Canada, Economic Development Offices, *fDi Magazine* and Canada Survey of Giving, in a number of categories – smartest, most generous, safest, most visionary – marking the city's place in the spectrum of cities across Canada.
- **Statistical Tables:** Statistics are taken from the *National Household Survey of 2011* and the *2011 Census*.

### Marital Status

Area	Married <sup>1</sup>	Living Common-law	Single <sup>2</sup>	Separated	Divorced	Widowed
Number
